GOD's WORDs Will Not Return Void, but Will Accomplish...and Achieve. Isaiah 55:11

"Godmothers: What we all are to Someone, and What the World needs more of."

WE WILL EXPLORE TOGETHER, MANY ASPECTS TO BECOMING MORE OF A GODMOMMA TO OURSELVES AND OTHERS.

We are Blessed to Share **Resources from the Best**, We are Pulling out all the Stops to Agree With What and Who GOD Says We Are and Do What He Says We Can Do.

Faith is not Required, Nor is it Blind. You will See and Hear Christ in WORD and DEED, so FAITH IS GUARANTEED TO GROW!

There are Frequently Connections Between Our Emotional Health and our Physical/Mental Health that Can Often Be Helped and Understood, Sometimes Without Medicine.
